

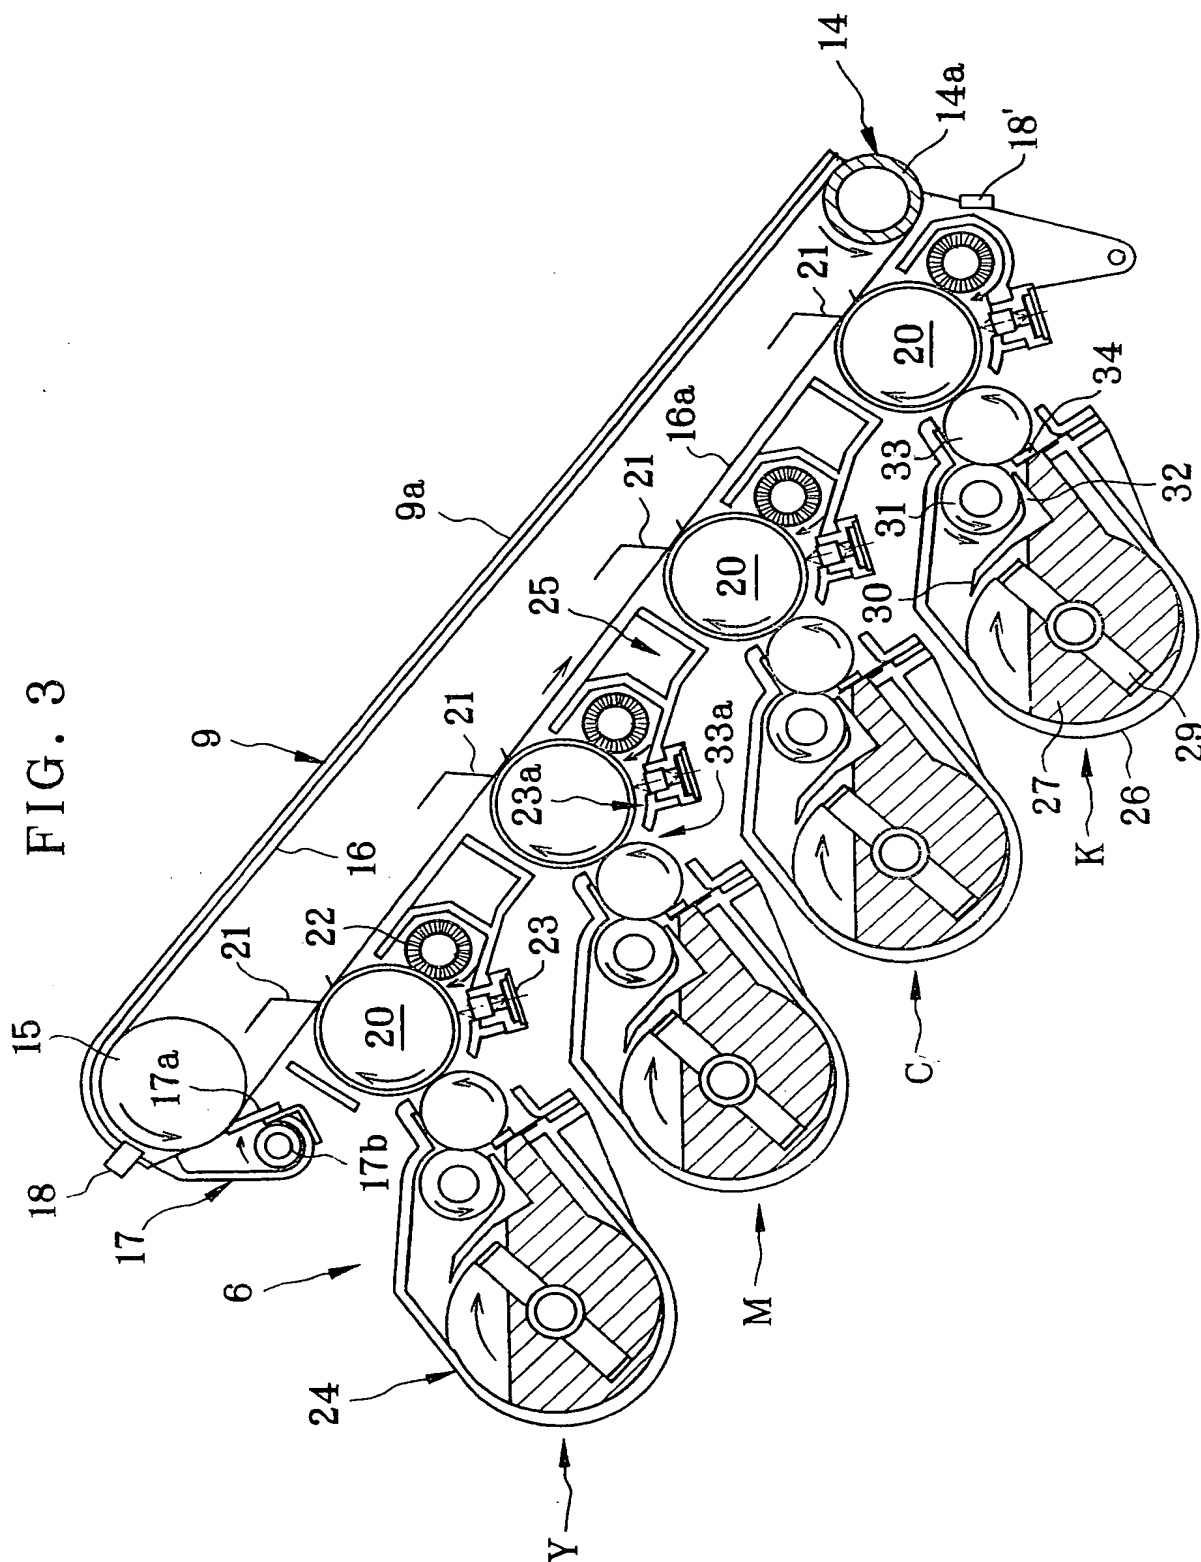

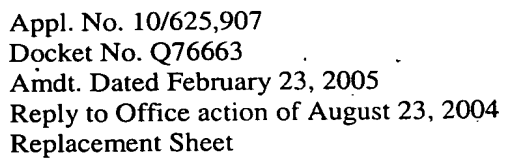

FIG. 3

A schematic diagram of a printing machine. A paper path is shown with rollers labeled 12, 14, 15, and 19. A registration mark 5 is positioned on the paper. A curved arrow 10 indicates the direction of paper movement. A label 59 points to a specific part of the roller assembly. The rollers are arranged in a sequence: 12 at the top right, 14 below it, 15 to the left, and 19 at the bottom left. The registration mark 5 is a rectangular shape with a horizontal line through its center. The curved arrow 10 is located at the bottom left, pointing towards the rollers. The label 59 is located at the top left, pointing to the roller assembly. The rollers are labeled 12, 14, 15, and 19. The registration mark is labeled 5. The curved arrow is labeled 10. The label 59 points to a specific part of the roller assembly.
